## Class News

Pre-school/Pre-K	Kindergarten	2nd & 3rd Grade
Our preschoolers are gearing up for the holiday season. They have been practicing for our Christmas Program. They are learning the story of the candy cane and all about the meaning of Christmas. They will also be doing their annual sock, mitten and hat drive this year for St. Vincent.	Mr. Weatherbie's students will be studying the family, learning all the lower case letters of the alphabet, counting to 50 and learning about Advent. Come see their beautiful work in the hall of the school.	Ms. Konold's class is learning about Advent, the season, and the wreath. They are learning the symbols of the Christmas season. In Social Studies they are studying communities, here and around the world.

## 4th & 5th Grade

Mrs. Bahr's class is learning about stewardship and how it relates to their own lives. They pray the Rosary together as a class and have been writing letters to our Soldiers overseas. They are working on key-boarding skills and research skills. Some students in the class have been working with Patricia Therrell on a school newspaper. Mrs. Bahr leads the school in our daily prayers during the Advent Season. We have been meeting in the small hall before school to prepare our hearts for the birth of our Savior.
