

ST. MICHAEL CATHOLIC SCHOOL COMMISSION
Action Minutes – October 6, 2009

In attendance: Suzanne Siekawitch (Principal), Mike Therrell, Heidi Pike, Meg Krikawa, Nancy Finkeldei (Chair/Recorder)

1. GOAL SETTING

- There was no agenda for this month's meeting since most of the meeting focused on discussing future goals for the school. Rich was unable to attend but Suzanne used his written goal notes as an outline for discussion. The other members attending also had written goals and turned them into Suzanne for her review. Generally, most agreed we need to expand the school to a full K-8 elementary school; hire adequate talented staff with the potential to teach a specific subject in a departmental-type model to middle school students; improve website and computer technology; hire at least a part time secretary/administrative assistant for the school. Suzanne will process the ideas for the next meeting.

2. HARVEST FESTIVAL

- Folks attending the Harvest Festival will have the opportunity to contribute to our children's playground, specifically swing equipment, but we are not promoting it as a fundraiser for the swings.

3. FINANCES

- The School Finance Committee will be meeting at the end of the month. This will be their first meeting.
- Suzanne reported we have three new students, which changes the budget.
- Suzanne will email the revised budget to commission members later.

4. OTHER ITEMS

- Suzanne reported Fr. Jay approved of distributing a survey at all the masses on the expansion of a middle school.
- Heidi asked about the possibility of an option of extending the hours for pre-school to better accommodate the schedules of parents. Suzanne indicated it could be a real possibility.

5. NEXT MEETING: Tuesday, November 3.
