## St Michael's Thursday Newsletter October 26

Dear Parents,

The days are becoming chilly. I sent procedures for inclement weather closures and or late start in a previous letter. In case it was misplaced, we have listed the information below:

### Inclement Weather Procedures

St Michael School follows Snohomish School District's morning report regarding school closure and/or late start. This information can be found in the following sources usually by 6am:

- King5 TV- radio and website: [www.kingtv.com](http://www.kingtv.com)
- Kiro7 TV - radio and website: [www.kirotv.com](http://www.kirotv.com)
- Komo4 TV - radio and website: [www.komonews.com](http://www.komonews.com)
- St Michael website - [www.smpschoo.org](http://www.smpschoo.org)

Light a few candles that the El Nino predicted again for this year is tamer than last year. There is an abundance of chatter that this could be a cold, snowy winter.

### ITBS

The ITBS testing went very well. We were pleased that the students were very focused while taking the test. We should receive the results in about six weeks. The results will be used for instructional and planning purposes both for programs and individual needs.

A narrative report for the students will be sent home to their parents I usually have a couple of evenings that I set aside to explain the testing for anyone who would be interested. More information will come later regarding dates and times.

Karen Matthews, Ed.D.

## Snohomish Food Bank

St Michael Parish is collecting gravy packets for the Snohomish Food Bank. Our goal is to donate 325. Please donate and reach out to help our neighbors in need. All donations can be brought into the office.

Thank You!
